ASN can just postulate that his presence in banner limited for knowing figure, vision, and mission the candidate. By because that, very difficult for determine is ASN which follow campaign it, but support or not. (d) the weakness of law enforcement; Indonesia is a country law (rechtstaat) and no country power (maachsstaat). Country law aim protect all nation Indonesia pilled blood Indonesia, realize people’s life as nation and country which prosperous, orderly, safe, peace and peace as well as fair social.

Handling violation neutrality still not yet by clear arranged, so that there is a tendency between institution if happen violation16.
